Yao Zhou

406, SYSU-CMU Joint Institute of Engineering
Sun Yat-sen University, Guangzhou, China
mail: yoosan.zhou@gmail.com, **tel**: (+86)186-2048-4073

EDUCATION

Master of Science, Computer Science, Ranking of 3/43
Sun Yat-sen University, Guangzhou, China, 2015 - present
Supervisor: Cong Liu and Yan Pan
Thesis Topic: deep learning, natural language processing

Bachelor of Science, Computer Science
Sun Yat-sen University, Guangzhou, China
Supervisor: Arber Xu (now CEO at Hudongpai)

PUBLICATIONS

Yao Zhou, Cong Liu and Yan Pan, Modelling Sentence Pairs with Tree-structured Attentive Encoder, to appear *The 26th International Conference on Computational Linguistics* (**COLING 2016**), Osaka Japan, 2016. paper, code

EXPERIENCE

Research Intern   Aug 2016 - Nov 2016
Horizon Robotics Inc., Research Intern, Beijing
- Aims at building end-to-end task-oriented dialogue system with deep reinforcement learning.

Software Engineer   Mar 2015 - Oct 2015
Summba Datastory, Engineer, Guangzhou
- Built the large-scale distributed system for crawling and analyzing the product information of online-mart and social networks(Tmall, JD, Amazon, Weibo etc).

Teaching Assistant   Mar 2016 - June 2016
SYSU SDCS, Programming Design and Experiment course for undergraduate
- Teaching the C++ programming language.

SKILLS

Programming Languages: Java, C/C++, Lua, Python, Ruby, Javascript
DL Frameworks: Torch7(with GPU), MXNet(contributor)
Operating Systems: Unix (Mac OS X), Linux(Ubuntu, CentOS), AWS
Databases: MySQL, MongoDB, Redis, Solr, ElasticSearch, Spark, Hadoop and MPI
Other Tools: LaTex, Markdown, Git, SVN, Vim

PROJECTS   **github**, https://github.com/yoosan
HONOR   **The 1st scholarship at SYSU**
                 Outstanding graduate student (top 5%)
